WELCOME

## WHO WE ARE

We are a leading sourcing company with an excellence of quality, most cost-effective, reliable and best customer service, started with 30 staffs back in 2023.

We provide comprehensive services to our customers, offering everything they require to showcase fashion in their stores. Our customers utilize our services in diverse ways, ranging from brand strategy and creative direction to design and sample development, as well as product sourcing and manufacturing. Our goal is to propel fashion to new heights.

## OUR ETHICS

### A OUR VALUES

We aspire to establish ourselves as a dependable global apparel sourcing organization committed to delivering excellence and quality through innovative, forward-thinking approaches. Our goal is to attain this position by introducing innovative products and business methods that enhance value for our customers, while consistently meeting global standards in quality and customer service.

### B OUR MANUFACTURING PARTNERS ARE COMPLIANT WITH INTERNATIONAL STANDARDS AND CODE OF CONDUCT:

# OUR BRIEF STORY

Our unique blend of design and technical expertise ensures that our products are not only stylish but also practical, producible, saleable, and profitable. We stay attuned to market trends, constantly introducing new products and collections to breathe life into the fashion landscape. Our services encompass:

## THE TEAM WORKING FOR YOU MERCHANDISING TEAM

### 01

#### DIVERSE EXPERTISE

Our team brings extensive experience in sourcing a wide range of customer merchandise across various sectors.

### 02

#### QUALITY MANAGEMENT

With a keen understanding of mass production, we meticulously manage the quality process from the initial brief to the final delivery.

#### Customer-Centric Approach

Our committed merchandisers go beyond sourcing; they actively seek to understand customers' products and objectives, serving as brand guardians.

# ABOUT ESB GLOBAL SOURCING

We are privileged to be working with a very strong supplier base capable of meeting your requirements at the most competitive price and lead time.

# MORE ABOUT ESB GLOBAL SOURCING

We remain readily available to offer any assistance you may need, and you are encouraged to reach out to us for any inquiries. Our commitment is to satisfy you with our extensive experience, sincerity, and fidelity. We always weave your desires with a warm smile.

## OUR MISSION

We aim to establish ethical business standards by delivering top-notch service, quality, and commitment. We strive to incorporate eco-friendly technologies in all affiliated factories, employing a trained and knowledgeable workforce to ensure the highest level of customer satisfaction. Our commitment extends to achieving sustainable growth through innovation, talent, and operational efficiencies.

## OUR VISION

We aspire to be a trusted global apparel sourcing organization, delivering excellence and quality through innovative and forward-thinking approaches. This envisioned status will be achieved by introducing groundbreaking products and business methods that not only add value to our customers but also align with global standards in terms of quality and customer service.

## FABRIC & TRIM RESEARCH AND DEVELOPMENT

Our team dedicated to fabric sourcing, development, and research consistently strives to create innovative fabrics and trims. Our goal is to achieve both speed to market and on-trend fashion for the high street.

## SHAPE DESIGN

Known for our innovative approach, we enhance our strengths and capabilities to deliver an exceptional standard of design for our customers. This, in turn, aids them in realizing and achieving their vision.
